

Hydrogen Age - Asia Hydrogen Energy Utilization & New Energy Vehicle Industry Technology Development Summit 2019

1. Theme of the Summit

Hydrogen Age, Hydrogen Energy, Hydrogen Technology, Hydrogen Future

2. Organizers

China Industry News, Hannover Milano Fairs Shanghai Ltd

3. Time and Venue

Time: October 23, 2019

Venue: DIE Hall, 6th Floor, Jumeirah Himalayas Hotel Shanghai

3. Agenda

Agenda	
October 23	
13:30-13:40	Opening Speech Speaker: Mr. Lu Yaohua, Former Chairman of the Supervisory Board for Key Large State-Owned Enterprises under the State Council, Executive Vice Chairman of China Federation of Industrial Economics.
13:40-13:45	Opening Speech Speaker: Krister Sandvoss, Global Director of HANNOVER MESSE Logistics & CeMAT events worldwide
13:45-14:10	Keynote speech: China's energy system Speaker: Mr. Ni Weidou, Former vice president of Tsinghua University and academician of Chinese Academy of Engineering:
14:10-14:40	Keynote speech: Development of China's new energy vehicles industry & Research of hydrogen and fuel cell technology Speaker: Professor Chen Quanshi, Department of Automotive Engineering, Tsinghua University

14:40-15:00	<p>Keynote speech: Hydrogen production technology and Development prospects of hydrogen vehicles</p> <p>Speaker:Mr. Wang Wenge, Director of Hydrogen Technology Research Center of Guo Jie Senior Professors Science and Technology and Development Academy:</p>
15:00-15:15	<p>Keynote speech: Fuel Cells for material handling and other mobile applications</p> <p>Speaker:Dr.Mohsine Zahid,Global Business Development Manager Fuel Cells ,ElringKlinger AG</p>
15:15-16:05	<p>Round Table Forum (or Q&A)</p> <p>Topic: Discussion and Q&A “Advantages of hydrogen and fuel cell technologies in material handling”</p> <p>Speaker: Alfred Wong, Managing Director of Asia Pacific,Ballard Power Systems Inc. Audrey Ma, Director of Business Development,Re-Fire Technology Co.Ltd Wang Wenge, Director of Hydrogen Technology Research Center of Guo Jie, Hydrogen production expert and Inventor of hydrogen fuel rotary engine Zhang Bihang, the President of Cockerill Jingli Hydroge</p>
16:10	End of meeting.
